

Thomson Reuters Competition Law Conference - 13 November 2018, London

Related Lawyers: **Wessen Jazrawi**

Related Practice Areas: **Competition Disputes**

On 13 November, in-house counsel from leading corporate names joined speakers from UK competition authorities and leading law firms at the 5th Annual Thomson Reuters Competition Law Conference.

Among the topics were discussions around the key changes and developments in competition law over the past twelve months but also how the economic and political climate is expected to impact competition law. Wessen Jazrawi joined fellow experts on a panel to consider the Brexit and the future of competition law in the UK.
