**PARALEGAL  
FRENCH SPEAKING / 6-MONTH FTC  
JOB SPECIFICATION**

If you would like to resolve complex, international - often high profile - disputes in innovative ways while working in a close-knit, inclusive environment, a position at Hausfeld may be just what you need. We are looking for someone to join us as a Paralegal.

**Role and reporting**

You will be reporting to the Managing Paralegal and case team partners.

**Purpose of the role**

Hausfeld's London office operates an ongoing paralegal role and we are happy to receive applications at any time. During this contract, you will be actively involved in our case teams, working with associates and partners across our core practices and, at times, across our offices in Europe and the USA, or in the markets that we are active in i.e. Spain, Portugal and Italy. As a claimant-focused litigation boutique, our teams are lean and often involved in complex disputes against well-resourced defendants. As a result, you will be encouraged and, indeed, required to take on responsibility from the outset – with appropriate supervision. You will also have the opportunity to gain experience in key business development activities as we continue to grow our practice and expand our practice areas, and to contribute to our pro bono activities.

**The firm**

Hausfeld is an award-winning law firm bringing a visionary approach to resolving disputes in competition, commercial, tech, environmental, consumer and human rights law. We have offices across the US and Europe. We pioneered legal actions for damages in Europe and innovate by pushing further. We bring high profile cases which redefine the legal landscape. Since 2015, we have grown a commercial and financial services practice which has enjoyed an extremely high rate of success in the last five years. Our antitrust team has won many awards for the claims they brought, and so has our environmental team for their climate change cases. For more information, visit [hausfeld.com](https://hausfeld.com).

**Diversity**

We are a gender diverse firm with over 47% female lawyers and 35% female partners and have an excellent track record of promoting women worldwide. This compares favourably to worldwide industry averages. In addition, 54% of the Global Management Group is made up of women, including three female managing partners. Hausfeld won 'DEI Outstanding Firm' at the Chambers Europe Awards 2024.

### **The ideal candidate / essential attributes**

- Proficient in Excel and Word
- Proficiency in organisational skills and attention to detail

As a specialist disputes only law firm, we are looking to recruit aspiring lawyers who share our commitment to delivering top-quality legal advice, and those who want to become part of our personable, inclusive, and supportive work environment. Excellent academics and relevant work experience are important, but we also consider a dynamic workforce to be key in tackling modern legal challenges.

### **Opportunities**

Hausfeld aims to recruit and retain the best people from the beginning of their careers. This offers you the opportunity to develop your legal and professional skills, while giving you the option to determine whether a career in complex dispute resolution at Hausfeld is the one for you.
