

# 1L DIVERSITY FELLOWSHIP PROGRAM

At Hausfeld, we are proud of our commitment to diversity and inclusion throughout our firm. By valuing different perspectives and experiences, we know that we produce better results for our clients and the communities we serve. To that end, Hausfeld has established a 1L Diversity Fellowship program that provides a unique summer employment opportunity for exceptional first-year law students from historically underrepresented backgrounds in the legal profession. Fellows are awarded a spot in the firm's summer associate program and a \$10,000 scholarship towards their 2L academic year. Fellows are paired with two firm mentors, a partner, and an associate, who in addition to the summer associate committee, provide support and structured feedback on work assignments and guidance on law firm culture and social events throughout the summer.

Hausfeld is a leading global law firm specializing in complex litigation on behalf of plaintiffs in the areas of antitrust, environmental threats, consumer protection, cybersecurity, mass torts, and civil and human rights. Our diverse team of attorneys has been appointed by federal courts to lead the nation's most complex class actions. This position offers the opportunity for extremely substantive, interesting, and challenging work with recognized leaders in the bar. Applicants should be enthusiastic about this mission-driven work and the opportunity to dive into complex problem-solving challenges.

Successful applicants must demonstrate: (1) a record of academic excellence, (2) leadership experience, and (3) community involvement. Applications must include a cover letter or 1-2 page personal statement, resume, transcript, and short writing sample. First generation law students are encouraged to apply.

To apply, please send your application materials to [diversityfellowship@hausfeld.com](mailto:diversityfellowship@hausfeld.com).

Applications will be accepted from November 15, 2021 – January 30, 2022.\*

\*The Firm requires all employees to be fully vaccinated against COVID-19. Applicants requesting exemption from this requirement because of a medical condition or religious belief should contact the Human Resources Department.
