On 15th October, the Hon Justice Fraser from the Technology and Construction Court, will open the Society for Computers & Law (SCL) Adjudication Scheme launch event with a keynote speech about adjudication.

The scheme is the result of a 2-year collaboration between Hausfeld's technology partner Michael Bywell, Matthew Lavy from 4 Pump Court, Michael Lazarus from 3VB and David McIlwaine from Pinsent Masons with the support of the SCL; all of whom will be available to introduce the new SCL adjudication procedure and explain how to apply to become a member of the SCL Adjudication Scheme panel.

Hausfeld is very pleased to sponsor the launch of this new and innovative scheme for the resolution of technology disputes in England & Wales, alongside the collaborating firms.

Attendance to this event is free of charge and open to all, but places are limited.
