Every year, the Legal 500 UK undertakes research to pin-point the most capable, expert practitioners and firms, operating at the top of their game across different business sectors. Within a range of categories, they reward the best over the past 12 months.

With her appointment to Head of Commercial Disputes in 2019, and having significantly grown the practice since 2016, Lianne Craig was perfectly placed to win 'Individual of the Year – Dispute Resolution London'. She was in great company - nominated alongside other expert litigators from large and reputable defence firms.

Earlier this year, the Legal 500 UK also noted that:

"Clients love Lianne Craig's brilliant and often-inspiring style. She fights hard for her clients, but she does so with diplomacy and judgement, such that she manages the rare feat in litigation of engendering excellent relationships with those on the other side of the table – this undoubtedly means she gets a better result for her client."

We are delighted for Lianne for such a fantastic achievement - and for the rest of our team - as this would not have been possible without their ongoing dedication and support.

For all law firm winners.
