In re Volkswagen “Clean Diesel” Marketing, Sales Practices & Products Liability Litigation,
Case No. 3:15-md-02672-CRB (N.D. Cal.)

Hausfeld was among the many firms that filed consumer class actions in the wake of Volkswagen’s disclosure that it used a concealed “defeat device” in certain of its diesel passenger cars sold in the United States. We serve on the Plaintiffs’ Steering Committee in the U.S. MDL. In addition, we are actively representing consumers throughout Europe.
